

# Distinguished Judges

The 2014 BVR/SPU Valuation Challenge was fortunate to have a distinguished panel of judges evaluate the student presentations and advise us. All of them hold senior positions in their valuation firms; many have made important and groundbreaking contributions to the literature and practice in their profession. We congratulate them on their achievements and greatly appreciate their willingness to spend time and effort working with us and with the teams of students who participated. We are proud to present them here with our thanks.
